SURGICAL INSTRUMENTS & SETS  
DECEMBER 2023

UNIFIX CARE B.V. is supplying safe and reliable surgical instruments in Sub-Saharan Africa.

Our mission is to improve healthcare by supplying the best price-quality surgical instruments to your doorstep.

Next to providing CE certified instruments, we select our suppliers carefully by means of our independent developed European quality checks which we also implement throughout our supply chain to ensure continues quality.

This catalog consists out of three parts:

Surgical instruments - an impression	P. 1
Unifix Care precomposed surgical sets	P. 13
Alphabetical list of our surgical instruments	P. 43

Contact us if your instruments or specific set requirements are not listed in this catalog.

Interested in our instruments? Request more information via [info@unifix.care](mailto:info@unifix.care) or go to [www.unifix.care](http://www.unifix.care)

All sets contain reusable surgical instruments and will be delivered in non-sterile condition.

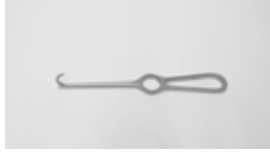

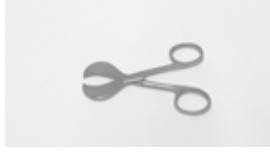

Please find our general terms of sales on our website.
